A.W.S. Central Michigan Section & Lansing Community College is proud to announce

**American Welding Society President**

John L Mendoza

(from National Headquarters in Miami, FL.)

To Visit L.C.C. West Campus

Wed. September 7, 2011

At L.C.C. West Campus Auditorium (S147)

From 2:30 – 4:00pm

Please join us as President John Mendoza will get a quick tour of the Welding Lab and Speak on the Future of Welding Technology in our West Campus Auditorium.

**Topics President John Mendoza will speak on are the following:**

- AWS and its future goals and objectives for the future
- Training for the future
- Michigan job prospects
- National job prospects
- Value of A.W.S. Welding Certifications

A.W.S. President John Mendoza is an excellent speaker and has a deep-seated passion for welding technology and education. So please join us on September 7th at 2:30pm at our Auditorium at L.C.C. West Campus!
