JOINT MEETING WITH ASM

DATE & TIME: THURSDAY, FEBRUARY 18, 2016 @ 5:00 pm

LOCATION: DEARING COMPRESSOR & PUMP COMPANY
801 MIDLOTHIAN BLVD.
YOUNGSTOWN OH

TOPIC: PLANT TOUR - Refreshments will be furnished.

Dearing Compressor & Pump was founded in 1945. For more than 50 years they have based their reputation on service, reliability, integrity and innovation and have responsibly served our industrial and energy customers with dependable equipment and systems for compressed air, gas, process gas and hydraulic applications. The Company continues to be owned and operated by the Dearing family.

They operate two distinct divisions: the Industrial and the Energy divisions. Their Industrial Division focuses on selling and servicing systems for industrial air compressors and pumps in Ohio and Pennsylvania. They cover the Akron, Canton, Cleveland and Erie Markets. They have a full-service shop in Cleveland as well as our headquarters here in Youngstown, Ohio. The Industrial division has grown significantly over the past five years. They are adding products like blowers for low pressure applications. This has helped them get into new applications like wastewater aeration, blow-offs and conveying.

RSVP IS REQUIRED FOR THIS TOUR - PLEASE CONTACT CHUCK MOORE AT 330-482-6613 or chuckm@cbco.com by February 16th.

Enter the 801 Midlothian Blvd gate and park to the right upon entering the gate and meet inside the office.

STUDENTS - DISTRICT WELDING SCHOLARSHIPS ARE AVAILABLE. APPLY NOW!!
District Scholarship Program

The District Scholarship Program assists students who seek vocational training, or community college or a degreed educational program in welding or a related field of study. Once awarded, the scholarship funds are payable directly to the school the student has been accepted to. The scholarship will cover the cost of tuition, books, supplies and related institutional costs.

Application Instructions

An AWS Scholarship application must be used. The deadline for receiving applications at the AWS Foundation Office is MARCH 1st. In addition to the application form, the following must also be submitted:

1. **Financial Aid Statement** - Applicant must attach an official letter generated by the financial aid office at his/her school indicating current student budget, needs analysis, and financial aid awards, including scholarships. Student will contact the financial aid office to obtain this aid information and will need to sign a release form.

2. **Transcripts** - Applicant must submit official scholastic records or grade transcripts showing he/she attended a high school, trade school, college or university.

3. **Personal Statement** - Applicant should list ambitions, goals, background and other factors that will help the selection committee understand his/her commitment to pursuing welding education. If student has prior welding experience, he/she should indicate how the proposed welding curriculum and chosen school will help fulfill their educational goals.

4. **Biography and Photo** - One of the criteria for receiving financial aid is that the student must share his/her successes with others. Student should be prepared to submit a photograph and biography to help in preparing a student success story to promote future scholarship programs.

To obtain an application you can go online at www.aws.org and click on AWS FOUNDATION under services. Then click on District Scholarship. You can download an application and application instructions. You can also contact Chuck Moore for information at 330.482.6613 or e-mail; chuckm@cbco.com

CCCTC STUDENT NEWS:

1st - David Abbadi  
2nd - James Cox  
3rd. - Zach Noday

We are looking for material donations and jobs for students. If you have any to donate, please contact:
Huck Hughes, CCCTC Welding Instructor, 330-424-9561, ext. 184

The Columbiana County Career and Technical Center’s Career Fair is just around the corner. I am in great need of local companies to come on Thursday, February 11th to help our students become better employees. Please consider attending even if your company is not hiring at this time. The purpose of this career fair is to expose student to opportunities in the area and have potential employers share the expectations they have for their employees. Please help our instructors promote the importance of employability skills such as good attendance, working with others, etc. by attending this event. Please contact me for more information or if you are able or unable to attend.

Thank you! -- **Michelle Fitzsimmons**   Student Services Coordinator - (330) 424-9561 ext. 158
