About the Tour:

We have another tour scheduled this month which is a tour of the Capital Region BOCES school. This is one of the premier trade schools in the area where young people are trained to be welders. Come and see the facilities that they have to serve this mission. Chris Lanese will be our host.

As we did last month, we will serve pizza and soda. For this reason I will need to know if you are planning to attend so that we will have enough to eat. Hope to see you there.

Directions:

If you come from the north or east get on Route 7 going west. Turn left on to the Albany Shaker Road (Route 151). Go almost to the airport and at the intersection (traffic
light) of Route 157 – Watervliet Shaker Road turn right and go until you come to Boces which is at S. Family Drive.

If you come from the west you can go on Route 7 until the Albany Shaker road intersection and follow the above.
