Jan 9, 2014 Dinner Meeting

Puget Sound American Welding Society and American Society for Micro Biology

is Proud to Host:

Barbara K. Henon, Ph.D. Representing Magnatech LLC

Speaking on the topic of: the influence of the ASME Bioprocessing Equipment Standard (BPE) on the success and acceptance of orbital welding by the biopharmaceutical industry.

Dr. Henon joined Arc Machines, Inc. (AMI) in 1984 with a Ph.D. in Biological Sciences from the University of Southern California and retired from AMI in 2013. While at AMI she studied metallurgy at Los Angeles Pierce College and took metallography courses at the ASM headquarters in Materials Park, Ohio. She trained orbital welding operators in the field, developed training materials and wrote numerous articles for industry publications, which included winning the Pharmaceutical Engineering Magazine Article of the Year in 1999. She is a Silver Member of AWS and is on the AWS D18 Committee for sanitary welding and the AWS D10 Piping Committee and was awarded the AWS Image of Welding in the Individual category in 2008. She has been a member of the ASME Bioprocessing Equipment (BPE) Committee since 1989 serving as Vice Chair of the Standards Committee and Chair of the Executive Committee and has been a member of the ASME B31.3 Process Piping Code High Purity Subgroup and B31.3 Section Committee since 2007.

TECHNICAL QUESTIONS

Bring your technical questions to the meeting (any subject) or write them there and leave at the registration table or hand to Stephen Pollard. They will be discussed and hopefully answered during the dinner hour.

PLEASE MAKE YOUR MEETING RESERVATIONS BY E-MAILING TO: AWSPUGETSOUND@GMAIL.COM OR, PHONING ASK FOR Donna Page at Airgas at +1 (206) 224-0430 BY TUESDAY 7 JANUARY 2013. REGULAR DINNER PRICE IS $40.00; STUDENT PRICE IS $20.00. PLEASE LEAVE YOUR PHONE NUMBER WHEN MAKING RESERVATIONS. IF YOU DO NOT PLAN TO HAVE DINNER, YOU ARE STILL WELCOME TO ATTEND THE PROGRAM. PLEASE LET US KNOW IF YOU WILL ATTEND. SUGGESTED ARRIVAL TIME IS 7:30PM.

What’s Coming Up Next Month?
Join us in February for a tour of T-Baily in Anacortes, WA! More Details to come in our next newsletter

SCHOLARSHIPS
The Puget Sound section awards scholarships to students enrolled in weld programs at local colleges. The funds for these scholarships are from donations from members and other interested individuals, businesses or groups to train welders. If you would like to help welding students receive training/certification, please contact Scholarship Chairman – Steve Nielsen HM: (425) 259-3508  WK (425) 328-5661 E-MAIL: steven.t.nielsen@boeing.com. Please leave a message and someone will return your call. Puget Sound Scholarship Applications

PAY YOUR DINNER ONLINE!
Pre-pay for your dinner at http://www.pugelsoundaws.com/payfordinner. Select your appropriate dinner type (Member or Student) and check out using our secure Pay Pal Site. This will help streamline the check in process so you can network, not stand in line!

PUBLICATIONS:
Need a publication in a hurry? The Section library is held by the Seattle Public Library. 1000 4th Ave. Technical Library on 7th Fl. Phone: 206-386-4623. Limited free parking in the basement of the Library. http://www.spl.org/ In an emergency, the Library can respond to requests for limited mailing of specific pages of an AWS document.

UPDATE YOUR EMAIL ADDRESS
In order to ensure that you receive all notices from the Puget Sound Section of AWS we need your Email address.

If you are a member, please log onto www.aws.org and go to “My Account”

If you are not a member and wish to be included on our mailing list please send a note to:
awspugetsound@gmail.com

Renton Technical College
3000 N.E. Fourth Street Renton WA 98056
• day and evening welding classes
• Individualized instructions to fit your needs
• Brush up classes available
• WABO welding certification
Weld Shop: (425)235-2341
Office:425-235-2352 X 5751
The Jerry Hope Endowment Scholarship has been funded to our goal. The scholarship includes all of the AWS sections in District 19, which includes the AWS sections in Washington, Oregon, Alaska, British Columbia, & Alberta. It is an endowment scholarship fund that has about $52,000 in it. The endowment fund will perpetuate interest income to provide about $2500 per year. Priority is given to students seeking a welding engineering degree or welders seeking a welding related engineering degree. If no students are seeking a welding engineering or related engineering degree, the funds will rotate between sections each year to fund local 2-year welding technology students.

IMPORTANT UPDATE ON THE JERRY HOPE SCHOLARSHIP

AWS National and District Scholarship Funds - Available to Welding Students

Additional scholarship funds are available if the Puget Sound Section scholarship fund has been exhausted. Contact your School; College; Instructor; or visit the AWS site to fill out the AWS application. District Scholarships are for any level of welding related educational programs, while National Scholarships are generally for undergraduate students of a four-year program leading to a bachelor’s degree. Visit the AWS Scholarship via the link below or Steve Nielson Phone (425) 259-3508 for more information. Applications are now available on-line from the AWS Foundation - www.aws.org/foundation. Additional Scholarship Application Information

COMING FROM SOUTH OF BELLEVUE:
Head North on I-405
Take exit 13B for Northeast 8th Street
Take exit 13A on the left toward N.E 4th St/116th NE
Turn right onto NE 4th St
Turn left onto 116th Ave NE
Coast Bellevue Hotel Will Be To Your Left
625 116th Ave NE, Bellevue, WA 98004

COMING FROM NORTH OF BELLEVUE
Head South on I-405
Take exit 13B for NE 8th St E
Merge onto NE 8th St
Turn right onto 116th Ave NE
Coast Bellevue Hotel Will Be To Your Right
625 116th Ave NE, Bellevue, WA 98004
Important Update about Section Dinners

The AWS Puget Sound Section board recently voted to raise the dinner cost for meetings to $40 for regular attendees and $20 for students. As most of the meeting attendees know, the Rock Salt Steakhouse closed. It may be reopening in the future, but at this time we do not know. In the last three months, we have tried several locations for our meetings. Each of the locations we tried works great for a meeting, but the cost is significantly greater than the cost we were paying at the Rock Salt. The Section has had a large deficit cost of several hundred dollars at each of the last three meetings. We simply cannot afford to subsidize the meeting costs to that extent. However, the Section will continue to subsidize the student meals. Thank you for your understanding and continued support.
