VALENTINE DINNER

Dinner and White Elephant gift exchange

Feb 10 Meeting: Come to our section meeting for an enjoyable **Valentine dinner**. Members and Guests, bring your Spouse or Valentine sweetheart.

Bring a wrapped "White Elephant Gift" for a fun filled gift exchange dinner party.

This is going to be a room full of CWIs so we need to be clear on the rules.

All participants draw a number to determine their order.

The participant with #1 unwraps any gift from the table and then shows it to everyone. Each successive participant, in the order determined from the drawing can either 1) "steal" an already opened gift (if there's one they really like) or 2) be adventurous and go for a wrapped gift from the table. If the participant chooses to steal, the person whose gift is stolen now repeats his turn and either 1) steals another person's gift (*he cannot immediately steal back the gift that was just stolen from him*) or 2) unwraps a new gift.

This cycle of stealing can sometimes continue for a long time, but we will limit the stealing to two times. The turn is passed to the participant with the next number from the drawing.

Since items can be stolen, the item in your possession is not yours until the game is over. The game is over once all numbers have been withdrawn from the hat or all gifts are opened.

The person who picked first will have the option of picking last or keeping the gift already in hand. After they exchange or decide to keep their gift, the evening will end.

The dinner will be located at Vista Entertainment Center, 435 W. Vista Way, Vista, CA 92083. 760-941-1032.

To give members from the Southern end of our section time to come North, social hour will start at 6:30 pm, dinner at 7:00 pm.
