If you plan to attend please call: Sharon Harvey (NNS) 380-2393 or ARCET (Hampton) 728-9353.

Come out and support your section!!!
Greetings!

I’m sure everyone enjoyed this past month’s equipment demo that was put on by Fronius. The section would like to thank everyone from Fronius, for a very informative demo of their various equipment and process selections, as well as Arcet for providing the space for the demo.

This month you might want to make a reservation, because I predict standing room only for this one. We have a speaker from the Mariners’ Museum who will be joining us for an informative discussion on Admiral Rickover, father of the Nuclear Navy. Vince Scott is a World War II veteran and a Mariners’ Museum docent since 1988.

Please note that we will be meeting at Kelley’s Tavern on Coliseum Drive in Hampton. Our menu is available on page 4 of this bulletin. Dinner choice is to be made upon arrival.

I hope to see you all there!

Jenord Alston
Chairman
