Upcoming Events
In our next newsletter we will announce the date and time in May for the Tri River Section annual Past Chairman's night cookout. Our resident flame master Earl Young will be ready to grill up our usual goodies. All grilling will be held outdoors and there will be no Evansville Fire Department visits. Keep this event in mind.

AWS Scholarships
March 1 is only days away the deadline for the scholarship applications. Scholarships will be awarded at the annual District Conference in June.

Remembering Ted
In March of 2003 the Tri River Section lost one of it’s biggest supporters in Ted Eidson. Ted left us at the young age of 43 and was one of the great guys in welding supply. Ted worked the counter at the former Welder’s Supply and in sales at Airgas. When it came to welding supplies there was no one better. Ted would make sure that his coworkers knew about any Tri River function and for a non-member he attended nearly every event. There has been no one since to match his support and he is missed by many of us in the Tri River section.

Tumbling Down
The last of the Roberts Stadium Steel came crashing down in recent weeks. Salvage crews were scrapping the original trusses that were fabricated by the former International Steel, Bill Judd may have worked on those. What was at one time the home to greatest era in local basketball will soon be a park.
